Blank Cap 75 mm (B)

1033151

Blank caps with metal sealing surface are destined for closing ferrules of extinguishing systems ended with adapters with metal sealing surface. Triangular cog for special wrench makes impossible fortuitous turning off the blank cap.

Technical specifications

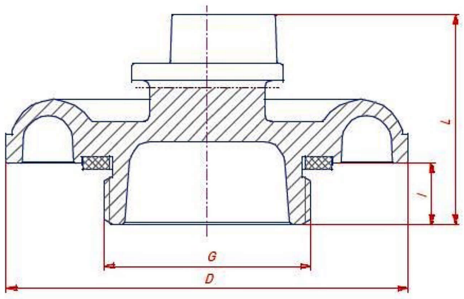

Materials:

- Cast in aluminum alloy AK 11 (AlSi 11)
- Gasket rubber

Nominal size	D mm	L mm	l mm	G	Sealability on overpressure (Bar)	Masa (kg)
52	100	62	19	Rd 50×1/6”	26	0,260
75	126	66	21	Rd 65×1/6”	26	0,375
110	182	74	22	Rd 105×1/4”	26	1,02
