

Chocks & Blocks Set A

100205

The set consists of several different studs and blockers, and is used to support and block (example, on vehicles).

Environment-friendly:

- Made of recycled polyethylene
- 100% re-usable
- Longer life span than wood; virtually indestructible through one piece moulding
- Non-absorbent material; total resistance to water and oil
- Stackable; non-slip with unique surface profile design
- Extra grip due to elasticity of material under load
- Higher surface pressure allowed; supports 100 kg/cm² in all directions
- Lightweight; floats on water
- Safe; no splintering
