

Cotton White Gloves

2003243

White cotton gloves can be used as firefighting ceremonial gloves, precision work gloves, or as under gloves. Light and soft, they can be washed in the washing machine at low temperatures.

They are used by firefighters on ceremonies, such as firefighting anniversaries and celebrations as firefighter ceremony gloves. Comfortable and airy, without external seams.

Fields of use:

- Fine works
- Electronic industry
- Pharmaceutical industry
- Food industry
- Serving
- Work in laboratories
- Firefighters (formal - ceremony clothes for firefighters)
