

Cutting Tip Set CTS 01

150.006.474

Cutting Tip Set CTS 01 for Holmatro Spreaders, is used for cutting sheet metal parts on vehicles.. The main feature is that there are additional sharp tips on the extensions that drive into the material (vehicle sheet metal) and cut it at the same time as the spreader expands.

Cutting tips set for spreaders:

- SP 5240
- SP 5250
- GSP 5240 EVO
- GSP 5250 EVO
