

Fire Memorial Nail Engraved

3010705

Fire memorial nail with engraved inscription according to the customer's wishes, for fire anniversaries. A lasting memory of the fire anniversary and all the donors and sponsors.

According to tradition, the fire memorial nail is made as a sign of gratitude to donors and sponsors of the voluntary fire brigade. The name of the donor or sponsor who gave his contribution to the work of the fire brigade or in the organization of the fire anniversary is engraved on the nail.

In order for you to have a lasting and beautiful memory of the fire anniversary, we offer you the option of ordering fire memorial nails and engraving the inscription according to your wishes. We deliver everything together in a modern frame with glass, which further complements this firefighting souvenir.
