

Firefighter Ceremonial Sweater, Long Sleeve

1010019

Sweater with sewn-on fire emblem on the chest, for fire-fighting assemblies and ceremonies, long sleeve. This sweater is used as an addition to the ceremonial fire uniform.

The sweater will complement your firefighter's ceremonial uniform with its design. On the left side of the chest there is a machine-embroidered fire emblem consisting of a fire helmet and the coat of arms of the Republic of Croatia, surrounded by a plait. The emblem is sewn on the sweater, the collar in the shape of the letter "V". This ceremonial firefighting sweater is ideal to wear during colder weather under a ceremonial firefighting suit jacket.
