

Firefighter Helmet for Kid's

2004321.

Endurance Plus Visor helmet features an unvented ABS shell, 6-point textile suspension harness, wheel ratchet size adjustment (56-63 cm) as well as comfort sweatband and chin strap.

Features:

- 6-point textile suspension harness for enhanced wearer comfort and safety
- Size adjustable headband via wheel ratchet system
- Chin strap included
- Color: Red
- Quick and easy adjustment system
- Easy to carry, does not burden the neck
- Material: ABS, Polycarbonate

Not for use in firefighting interventions because it does not meet the prescribed protection (standards) for firefighters.
