

## Folding Signal Cone with Illumination

3005157

- Ideal for broken down cars and their marking, or for marking obstacles and danger locations
- Visible from all directions (360°)
- Easy to operate
- It is easily stored because of the small space it occupies, fits into each trunk
- High stability with low weight due to extremely low center of gravity
- With integrated, bright flashing light for even better visibility in the dark
- The flash is water protected
- Battery life over 300 hours

### Kit Composition:

- Folding cone: 1 piece
- PVC bag
- AAA batteries: 2 pieces
