

## Hydrant cabinet door, with glass

1008429

Door for wall hydrant cabinet type HO-2B, with glass and lock (keys included). Old type - OHO121.

If it happens to you that the door on your hydrant cabinet is damaged or there is another reason why it needs to be changed, you do not need to buy a complete cabinet. If the cabinet housing is still in good condition, we can only offer you a door for the hydrant cabinet. This door is intended for wall hydrant cabinet type HO-2B, with glass door and lock. Two keys are supplied with the door. The doors are made of sheet metal and in red color.

Easy change in just a few minutes and your hydrant cabinet will look like new again. Are you interested in the price of a hydrant cabinet or a door for a hydrant cabinet? Contact us for an offer and any additional information.
