

LEA Glass Plaque Award, Vertical

1018885

The glass award (plaque) Lea is an ideal gift for various ceremonies and sports competitions. Allows you to set any background (photo) according to the customer's wishes, in a combination of multiple colors or black and white. It can be used as a recognition, diploma or thank you note.

The text and logo are also made according to the customer's wishes and all together are placed on 10 mm thick glass. The Lea plaque comes with a small metal screw, which allows the plaque to be placed in a vertical position. Possibilities of application: fire assemblies, anniversaries and other ceremonies, fire and sports competitions ...
