

## Medal 60 mm mod. BR003

400950

Set of medals for firefighting and sports competitions: gold - silver - bronze.

If you are the organizer of a firefighting or sports competition, then you are in the right place. In our shop you will find medals and trophies for the most successful competitors, diplomas and statues. Choose the model of medal that suits you best and a medal insert that includes a symbol of a particular sport or a fire symbol.

We also offer various models of ribbons for medals, and for cups we make engraved plates with an inscription according to the customer's wish.

- Medal diameter: Ø 60 mm
