

Medal insert, Firefighter House 70730

17623

Insert for gold, silver and bronze medals with the symbol of house in flame and fire equipment.

The medal insert is a plate with the symbol of one of the sports and is combined with medals for sports competitions. Also in our offer there are inserts with firefighting symbols, for medals awarded at firefighting competitions. The insert is simply glued to the front of the medal, so one medal design from our offer can be used for all types of sports and firefighting competitions.

- Diameter: Ø 25 mm
