

Medal Ribbon With Ring, 10 mm - Red / White

16796

In order to make the awarding of medals and recognitions to the most successful in competitions as solemn as possible, choose another detail from our offer that is used in addition to medals. The medal ribbons have an eyelet on which the medal is hung, and the winners can proudly carry their medals around their necks.

- Width: 10 mm
- Color: red / white
