

Metal key cabinet, Planet TS1021

1008424

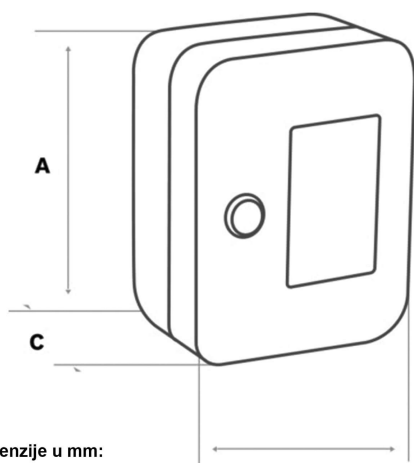

The Key cabinet Planet TS1021 features a rounded design without sharp corners and build quality.

The cabinet is made of sheet steel, with a sheet metal cabinet door combined with glass. Thanks to the key lock, the door can be easily opened and closed, and the glass can be broken in an emergency to get to the key quickly.

Characteristics:

- Material: sheet steel + glass
- Color: red
- Key lock
