

Pitbox Sand box

1022122

Dimensions (mm): 650x500x570

Weight (kg): 6.3

Capacity (l): 108

Quantity per pallet (n °): 32

Pallet dimensions (cm): 130x105x255

Pallet Weight (kg): 215

Available colors: red

Components:

- Two shutters
- EPDM rubber inner gasket
- Cylindrical keyhole

Product Features:

- Additional lid reinforcements guarantee durability and stability
- Ergonomic holders for carrying cases
- Extra reinforcements at the bottom of the crate
- A special structure inside the crate to ensure compactness
- Smooth surface

Technical specifications

Technical characteristics:

- Material: polypropylene, nylon
- Design: injection molding
