

## Rubber Safety Boots Ecofarmer Felt

2002268

High rubber work boots with inner felt lining, for working in water and during flood protection.

- Material: rubber
- Color: black
- Lining: felt
- Sole: rubber / pressed
- Sizes: 39-47

Work safety boots that protect your foot from water breakthrough. The felt lining provides extra comfort while wearing the boot and reduces foot sweating. Ecofarmer boots are used as part of safety working equipment and can be used by both firefighters and civil protection.
