

## Texport PPE Bag

1019

The Texport® Personal Protective Equipment Bag is ideal for keeping your equipment in one place. Made of steady material and with separate pockets for fireman helmet, clothing and hygienic pocket for boots.

Made of solid Cordura material and reinforced carrying handles. An additional function as a backpack, the ability to be mounted on one of the sides. For better visibility, a standard yellow-silver-yellow reflective strip is on the bag.

### Technical specifications
