

Winter Wool Cap with Fire Emblem

2004151

Wool double cap with firefighter emblem made from a quality blend of wool and acrylic, for head protection in winter conditions. It protects against the effects of the wind and provides warmth, breathability and softness to your head.

Winter woolen cap with fire emblem is made of an ideal combination of materials, which ensure that the cap does not stretch during wear and does not collect after washing. Extremely soft and non-scratching.

Main features:

- Material composition: wool: 50%, acrylic 50%
- Color: dark blue
